BAPS Vidhyamandir - 86 %

TECHNICAL SKILLS

- C / C++ Language
- WORDPRESS
- HTML5 , CSS3 & BOOTSTRAP
- SQL Queries
- Data Structure
- JAVA & ADVANCE JAVA
- MERN Stack

SOFT SKILLS

- Communication
- Creativity
- Teamwork

WORK EXPERIENCE

Wordpress Developer Intern , Fuerte Developers.   **May 2023 - July 2023 (2 months)**

- During my internship at Fuerte Developers, I evolved in WordPress development, enhanced my technical skills, and implemented innovative solutions. I delivered success to client projects by meeting and exceeding their requirements. I actively collaborated with the team, managed projects for timely delivery, and addressed complex development challenges. I created two fully functional prototype websites, independently managed two client projects, and contributed to over 10 live client projects, ensuring client satisfaction and driving company growth.
